

Montgomery Texas June 25 1858

The Hon. Edward Clark

Secy.

Some time in the Spring of last year Mr. Joseph C. Dart of the City of Houston sent 2 Claims of mine to the Court of Claims for adjudication, and he informs me he has not heard from them since - Will you be pleased and look over the papers in your office, and inform me what has been done in the premises, and return me the papers - I fear they have been sent up without sufficient testimony, which should have been filed with them - Mr. Dart sent them up before I was ready, if you return me the papers, please send instructions what testimony is necessary in the cases - There were two claims one for services in 1839 the other for services in 1842 -

Be pleased to let me hear from you at an early day -

My best respects to our friend M. C. Hamilton,

you have my best wishes for your prosperity

Your most Obedt

Com^d J. Felder
